

From undisputed icons to lesser-known, emerging stars, our wine list has been developed to showcase wine at its best with a vast selection of both Australian and international varietals and blends.

This list gives the spotlight to both lauded, industry-leading labels as well as smaller, emerging producers, both of whom deserving equal place in any wine list. The philosophy behind the compilation is simply one of balance; the famous with the not-so-famous and the premium with those that over-deliver on price.

There is no doubt wine is the greatest accompaniment to food and with this in mind our list offers superb variety for matching wines with Graham Smith's fine, seasonal cuisine. There are no hard-and-fast rules for wine and food matching and it is my philosophy 'that if you like drinking it with what you are eating, then it's a sound match'. Our staff are, of course, always more than happy to discuss a wine and food partnership to suit your tastes so please ask.

With this it is our great pleasure to also offer a selection of interesting, regionally-focussed wines available by the glass as well as our premium range in the Alexanders Cellar Collection and Alexanders Penfolds Collection, both presenting the finest red and white wines from Australia and abroad from the last four decades. I trust that you will enjoy perusing our selection and please do not hesitate to ask for any assistance you may require.

À votre santé!"

“I drink it when I’m happy and when I’m sad. Sometimes I drink it when I’m alone. When I have company I consider it obligatory. I trifle with it if I’m not hungry and drink it when I am. Otherwise I never touch it – unless I’m thirsty”
